# ZENASCREEN OPENER

## FAST ACTING SCREEN OPENER

This product unclogs screens quickly and effectively and works to dissolve and loosen dried-on plastisol inks. Formulated to open dried and clogged areas on screen without leaving any film or residue on the surface, ZenaScreen works rapidly to reduce down-time on screen printing projects.

## FEATURES & BENEFITS

- Opens dried and clogged areas on screens
- Leaves no film or residue
- Works rapidly to dissolve ink
- Compatible with all types of screen-printing inks

## APPLICATIONS & USES

For use on screen-printing screens and compatible with all types of screen-printing inks. Loosens and dissolves dried on plastisol inks from clogged screens.

## DIRECTIONS FOR USE

1. Spray a light amount of product directly into clogged or dried-in areas.
2. After spraying, run several passes of squeegee to dissolve and dislodge dried ink and open the mesh completely.
